

1 I take it, that Section 3 is intended in any way as a  
2 binding interpretation of Section 2.06, either to enlarge  
3 or restrict the power of the General Assembly.

4 DELEGATE PENNIMAN: We do not consider it to be  
5 a constitutional definition. It is what you might  
6 consider to be a legislative definition and only an interim  
7 measure.

8 THE PRESIDENT: Delegate Grant.

9 DELEGATE GRANT: I only point this out that the  
10 old qualification section <sup>had</sup> "infamous crime" instead of  
11 "serious crime" and this is why I believe the dichotomy  
12 exists right now.

13 THE PRESIDENT: Any questions to Section 2?

14 Delegate Gill.

15 DELEGATE GILL: In the schedule of legislation  
16 there is just a typographical error.

17 THE PRESIDENT: Let us hold it until we come  
18 to that.

19 This is Article 2. Any other questions?

20 The Chair hears none.

21 Proceed to Article 3.
